- **Principle**
- **Mission Statement**
- **How Does It Work;**
- **Package Purchase**

OUR PRINCIPLE

Our company is based on the principle that education and understanding of your current financial situation is vital to successfully make prudent decisions concerning your future financial condition. If you have any questions about your current financial situation or wish to schedule an appointment.

MISSION STATEMENT

BALTISSE provides investment management and retirement plan services to professionals, business owners, and high net worth individuals. Our goals include: excellence in investment management through our rigorous and by proprietary process of investment screening; and convenient, affordable retirement plan administration for you and your employees.

We are a team of dedicated and experienced professionals specializing in wealth management and financial planning. Beyond our internal team, we partner with CPAs, attorneys and advisory groups that provide us with advanced departments for further insight.

If you're a beginner in the foreign exchange market, you may be feeling a little overwhelmed by all of the information presented to you. You're not alone. There are many individuals who want to take advantage of the foreign exchange market but simply don't have the time to devote to studying the market to develop a profitable trading strategy.

This why many traders often choose to take advantage of Baltisse.ltd instead. Baltisse.ltd give an individual the opportunity to utilize the knowledge of more experienced traders while still maintaining control over their investing.

This is a unique opportunity to learn from an seasoned traders and follow the ideal trades taken on our own trading experience with highly proficient in fundamental and technical analysis.

HOW DOES IT WORK?

Baltisse has different plans and packages that accommodate even the shortest user to participate and earn. ,The online supports and visual assistants are always active and ready to attend to any complaints by the traders.

PACKAGE PURCHASE

The Daily start up plan is a minimum of 50\$ the trading circle lasts for 7 days the profits generates daily and drop in your active balance while the capital is always returned at the end of each trading circle for your withdrawal or reinvestment

The minimum investment generate a profit of 3% daily which gives you a total profit of 31% every week on each trade made

The monthly package generates a profit of 3.5% daily which matures after 30 days the profit also returns to the user dashboard daily and the capital returns to the dashboard on completion of deposit for withdrawal or reinvestment

Note:

"Don't forget that you have different plans with different time periods to make a profit and you can open as many trades as you wish on the project"

Introducing You BTU - BALTISSE TURBO UNIT. (cont.)

A revolutionary financial instrument.

BTU units grow 24 hours a day, 7 days a week, bringing you a stable income.

The growth of the cost of BTU Units is due to two factors. First - operating profit of the platform, provided by an innovative BALTISSE Trading desk terminal.

Also, the cost of BTU units is growing due to a constant demand for a unit on internal BTU exchange.
