

PRIVACY POLICY

We are committed to protecting your privacy. Authorized employees within the company on a need to know basis only use any information collected from individual customers. We constantly review our systems and data to ensure the best possible service to our customers. We will not sell, share, or rent your personal information to any third party or use your e-mail address for unsolicited mail. Any emails sent by this Company will only be in connection with the provision of agreed services and products. All the data given by a member to BALTISSE LIMITED will be only privately used and not disclosed to any third parties. BALTISSE LIMITED is not responsible or liable for any loss of data. Under no circumstances, BALTISSE LIMITED will disclose personal information of its users or send it to any third parties. Also, we send zero bytes of information regarding your profile (Secure Area), profits or purchased digital funds, to local fiscal authorities of your country even having the official request from them (we can do it only if the user himself decides to provide such a disclosure). The only information that is displayed openly is platform's live-deposit statistics (direct blockchain link attached if invested via Bitcoin), which includes deposit's time and date, amount, payment method and username of the investor. Investor's real name or address is never shown publicly and is never displayed on the website (Besides his own personal profile, aka. "Secure Area"). The investor is allowed to pick any username except for restricted or used ones. If you want to get an ultimate level of confidentiality, we recommend you using cryptocurrencies as the main payment method and trusted VPN provider for logging your personal account.
